**SUMMARY** — As a motivated B.Tech student in Information Technology at Bapatla Engineering College, I possess a strong foundation in key IT concepts and a passion for learning and innovation. With a keen interest in software development, networking. I am dedicated to expanding my knowledge and honing my skills to excel in the dynamic field of technology. Committed to academic excellence and driven by a desire to make meaningful contributions to the industry, I am eager to leverage my education and enthusiasm to embark on a successful career in IT.

## TECHNICAL COMPETENCIES

### Frontend Development

– HTML, CSS, JavaScript, ReactJs

### Programming Languages

– Python, Java, C, JavaScript

### Backend Development

– Node.js, MySQL

## RECENT EXPERIENCE

### Internshala

April 2023 – July 2023

Web Development Intern

Project: Online Banking System Web Application

- Developed a responsive and user-friendly interface using HTML, CSS, JavaScript, and Bootstrap
- Implemented client-side and server-side validation for data integrity and security
- Enhanced user experience by implementing dynamic features such as account management and transaction tracking

### Innovate Intern

May-2024 – Jun-2024

Full Stack Web Development Internship

Project: CelebrateMate - A Web Application for Automated Birthday and Anniversary Reminders

- Collaborated with the design team to implement responsive and visually appealing user interfaces
- Deployed the web application on a hosting platform to make it accessible online
- Worked with server-side languages such as Node.js and Python to develop robust backend logic

## EDUCATION

### Bapatla Engineering College

2021-2025

Bachelor of Technology in Information Technology, Bapatla

CGPA: 7.9

### Srichaitanya Junior College

2019-2021

Intermediate in MPC (Mathematics, Physics, Chemistry), Bapatla

Percentage: 94.6%

### Little Angels High School

2019

Board of Secondary Education of Andhra Pradesh, Bapatla

Percentage: 98%

## ACHIEVEMENTS AND EXTRACURRICULAR ACTIVITIES

- Participated in the Hackathon for Social Good, Bapatla Engineering College (2023)
- Volunteer, Annual Technical Symposium, Bapatla Engineering College (2024)

## CERTIFICATIONS

- Web Development - Internshala
- Virtual Java Programming - Learnsmasher EduTech LLP
- Full Stack Web Development - Innovate Intern

## OPEN SOURCE

### Open Source Contributions

Jan 2023 – Present

- Contributed code enhancements and bug fixes to open-source Java projects on GitHub.
- Collaborated with project maintainers and developers to address issues and implement new features in Java software.
- Expanded knowledge of Java programming language and gained experience with industry-standard development practices.
